COLLECTIVE INITIATIVE: SURVEY

On 26th October 2025, our team visited 16 remote villages around Kharagpur to conduct a survey aimed at identifying underprivileged families and collecting data about their living conditions. Covering around 350 households, the initiative sought to understand the community's needs more deeply and plan targeted interventions.

We also created awareness about the importance and power of education among the villagers and introduced them to our school, Jagriti Vidya Mandir, which provides free education, hostel, and transport facilities to underprivileged children.

We were delighted to receive such a positive response and were overwhelmed by the enthusiasm and trust shown by the villagers. Aligned with our mission to uplift the social, economic, and cultural conditions of communities around Kharagpur, this survey marks another step toward meaningful change.

TEAMWISE EVENTS/ UPDATES/ INITIATIVES

Diwali Celebration

On 18th October 2025, Gopali Youth Welfare Society organized a joyful and vibrant Diwali celebration at Jagriti Vidya Mandir (JVM) with the aim of spreading happiness and festive cheer among the students. The event was conducted with great enthusiasm and created a warm and lively atmosphere on the school campus.

The celebration included a variety of engaging activities that encouraged creativity and participation among the students. A diya painting competition was organized where students beautifully decorated diyas using different colours and artistic patterns. The school premises were further enhanced with colourful rangolis, glowing candles, and illuminated diyas, reflecting the true spirit of the festival of lights.

As the evening approached, students enthusiastically participated in releasing air lanterns into the sky, creating a memorable and cheerful sight. A carefully supervised firecracker display was also arranged, adding excitement to the celebration while ensuring safety. To make the occasion even more special, sweets and snacks were distributed among all the students and volunteers.

The entire event concluded with a group photo session, capturing the joyful memories of the celebration. The Diwali festivities at JVM successfully brought smiles, unity, and happiness to everyone present and created a heartwarming environment filled with light, togetherness, and celebration.

Inter Centre Case Study Competition

In October 2025, LiGHT, an initiative of the Gopali Youth Welfare Society (GYWS), organized an Inter Centre Case Study Competition, bringing together student volunteers from across its network to test their analytical thinking, problem-solving abilities, and social awareness. A total of 6 LiGHT centres participated in this intellectually stimulating competition, which challenged participants to study and present real-world social challenges and propose actionable solutions.

The competition witnessed tremendous enthusiasm and a high level of engagement from all participating centres. Teams were evaluated on their depth of research, quality of analysis, clarity of presentation, and the practicality of their proposed interventions. The event reflected LiGHT's broader mission of empowering youth to identify local challenges and design effective, ground-level solutions.

After a competitive and inspiring series of presentations, the winners were announced:

1st Place – LiGHT Gaya Saroj Kumar, Rohit, Rohit Kumar, Vishal Kumar, and Shwetambar

2nd Place – LiGHT Sindri Neha Kumari, Sourabh Kumar, Rashmi Roshan, Anjali Kumari, and Rupesh Mandel

3rd Place – LiGHT Sindri Maitri, Lucky Kumar, Kajal Kumari, Md Shafqat Anwar, and Rishav Agarwal

MEDIA AND PUBLICITY

All the events were captured and posts were uploaded on social media. And successfully conducted Episode 2 of the Impact Lens Series, featuring Mr. Mohan S, highlighting the power of mentorship, education, and social impact.

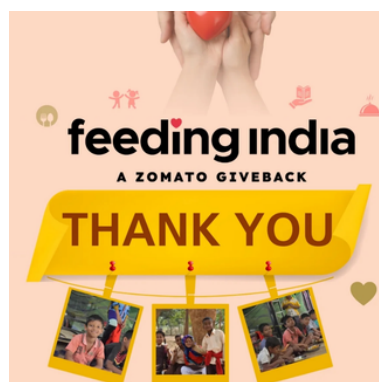

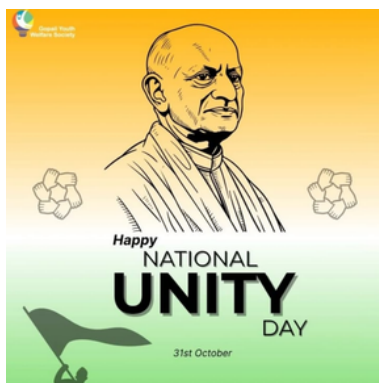

TECH OPS

The 2nd edition of Web-A-Dev was successfully conducted in December 2025, where participants got hands-on exposure to website development. The new LiGHT website was built and developed during this period and was officially taken live in January 2026, when the team visited the campus for its launch.

DESIGN

Posters for various events were created and designed by the design team.

SPONSORSHIP

The JEMS mock calling, Microsoft Benevity and Google Benevity have been completed successfully. And renewal callings of SEMs are going on.
