COLLECTIVE INITIATIVE: YOGDAAN

YOGDAAN is the Annual Donation Drive of GYWS which is organised every year. This time, our theme was Hostel Sustenance and Expansion. The contribution of IIT Kharagpur Students was crucial in making a big difference in the lives of those less fortunate. The donation drive began on January 12th and continued until January 23rd. Our team members visited each hall room to room on the given dates to collect donations.

Their support marked a significant contribution towards providing adequate funds for hostel construction and maintenance. We managed to raise a hefty amount of INR 5.7 Lakhs, making it the record highest amount collected in Yogdaan collection over the years.

TEAMWISE EVENTS/ UPDATES/ INITIATIVES

1. Aashayein:

On 22nd March, GYWS organised Aashayein 2025, the Annual Day of Jagriti Vidya Mandir, at Kalidas Auditorium, IIT Kharagpur. Students showcased their talents through dances, music, and skits based on the theme “Viraasat – Bharat ki Pehchaan”, celebrating India’s unity and diversity.

Chief Guests Mr. Niladri Nath Bagchi and Mrs. Gitanjali Bagchi, along with IIT Kharagpur professors, graced the event. It began with a Lamp Lighting Ceremony and featured a range of vibrant performances by the students. A prize distribution ceremony honoured academic achievers, and JVM staff were felicitated for their service. The event concluded with students dancing to “Aashayein”, creating a joyful and memorable evening filled with pride, unity, and celebration.

2. Republic Day:

The Republic Day Celebration at Jagriti Vidya Mandir on 26th January 2025 was held with great enthusiasm to promote patriotism and unity. The event began with the hoisting of the National Flag and the National Anthem, followed by an address from the Principal, emphasizing the importance of the day and the sacrifices made by freedom fighters.

Students from various classes showcased a vibrant array of cultural performances, including a parade, patriotic poems, speeches in English and Hindi, and dance performances on “Dil Pe Hath Rakh” and “Mere Desh Ki Dharti”.

The celebration also recognized individual contributions and awarded students excelling in drawing, encouraging creativity and civic spirit. The program concluded with the national song “Vande Mataram” and refreshments, providing a space for interaction and reflection.

Overall, the event successfully instilled national pride and a sense of responsibility among all participants.

3. Saraswati Puja:

The Saraswati Puja was celebrated at Jagriti Vidya Mandir on 3rd February 2025 with great devotion and enthusiasm. The event aimed to promote spiritual growth among students and raise awareness about the cultural importance of Saraswati Puja.

Students and teachers from various classes came together to participate in the rituals. The puja was conducted in a secular and traditional manner, with all customary rituals being performed. At the end of the event, prasad was distributed, followed by a khichdi meal served to the entire school.

The celebration was met with excitement and joy, especially among the students, making the occasion a heartfelt and successful event.

4. KTJ Visit:

On 18th January 2025 (Saturday), a special event was organized for Class 5 -14 students. The event commenced with students being picked up from various locations — Gopali, Kakda, Buddha Mandir, and Salua Bazar No Shooting — and transported by vans to the campus (Clock Tower) by 2:30 PM.

To ensure safety and proper management, headcounts were taken after every activity. The program concluded at 5:00 PM, with refreshments — including Aloo Bhujia and Frooti — served to all the students. The event ran smoothly, with enthusiastic participation and well-coordinated logistics.

5. Artbeat:

The annual art exhibition, hosted by Spectra IIT Kharagpur, provided an enriching and joyful experience for the participating children. The event was thoughtfully curated around the theme “Emotion Unveiled”, aiming to provide a platform for creative expression and emotional exploration through art.

The exhibition featured a variety of engaging activities designed to immerse children in the world of colours, imagination, and creativity. A highlight of the event was the interactive “Colour Me” installation, where participants enthusiastically splashed colours, expressing themselves freely. In addition, children had the opportunity to create their own miniature masterpieces, guided gently and supportively by the members of Spectra.

SPONSORSHIP:

UPDATES:

- Reached to around 8k+ people for fundraising and spreading awareness about GYWS
- Engaged with Companies such as SBI life and Lal Baba Group to expand CSR network of GYWS
- Renewed CSR Initiative through Pubmatic and March Together this year
- Benevity-(Google Gift Matching and Microsoft Benevity)

We reach out to employees of Google and Microsoft to donate for GYWS.

Raised one time amount of **Rs.80+ lakhs** from Google Gift Matching during Google Benevity 2024.

INITIATIVES:

Donor Limelight - Publish a donor recognition highlight every month to acknowledge donors. We take their feedback and inputs on new initiatives and update them on the current status of **GYWS** and discuss their journey with **GYWS** which would inspire other donors to donate.

CSR initiative: Reaching out to multiple companies in different sectors to secure CSRs to reduce the dependency of funds through Benevity

Ganges Jute Pvt Ltd

• VEDIC MATHS WORKSHOP:

The workshop was conducted on 18th January 2025. The Vedic Maths Workshop aimed to provide students from Grade 1 to Grade 5 with Vedic maths tricks to enhance their calculation skills by providing alternative methods to make their calculations faster. The workshop also aimed to make learning math enjoyable and boost students' confidence in solving arithmetic problems efficiently. The workshop was conducted for classes 1 to 3 and 4 to 5 separately.

RISE:

The event began with fun attention games to make them feel comfortable. Following this, the participants were briefed about Vedic maths and its importance. Then, the RISE Team members taught them some Vedic maths tricks and covered examples with each trick. Also, for every trick covered, one student was asked to volunteer and solve the question on the blackboard. Rewards were also given after solving it correctly to motivate them to participate. The participants enthusiastically solved the problems.

• SCINOVATE

This event was conducted on 26th March, 2025. The event aims to ignite curiosity and foster a deeper understanding of scientific principles through interactive experiments. By encouraging hands-on participation and engaging explanations, students will develop a greater appreciation for science in a fun and educational environment. The event also seeks to promote teamwork, critical thinking, and active learning, with special recognition for enthusiastic participation. It was conducted for the hostel students on Sunday. It began with an exciting demonstration of experiments to capture their curiosity.

Following this, students were encouraged to step forward and conduct some experiments themselves, fostering interactive learning. The scientific principles behind each experiment were then explained in a fun and engaging manner.

The students participated enthusiastically in the event and also developed interest towards science.

• LIGHT:

Samavesh was held at IIT Kharagpur on March 29–30.

As part of the expansion drive, three new centers were established, increasing the total from 8 to 11.

Key initiatives by various centers included:

- A traffic awareness campaign by LiGHT Sithouli
- A medical camp and food donation drive by the newly formed LiGHT Tirupati
- A plantation drive by the newly formed LiGHT Renigunta

• MEDIA AND PUBLICITY:

All the events were captured and posts were uploaded on social media.

• TECH OPS:

RISE webpage was added. <https://www.gyws.org/rise>

• DESIGN:

Posters for various events were created and designed by the design team.
